

NVRAMOS'21 Instructions for NVRAMOS Attendees

These instructions are for the attendees at the **NVRAMOS 2021**.

You can check your program schedules at <http://sigfast.or.kr/nvramos/nvramos21/program.html>.

Perquisites

Attendees are requested to ensure the following before the event.

1. Zoom Desktop Application
 - a. Head over to [Zoom](#) to download zoom desktop application on your device. You can use Zoom from your web-browser, however we do not recommend using browser mode in the interests of longevity and avoiding browser limitations, you should download the application.
2. Make sure to check your internet connection, test audio and video settings before your join the meeting.
 - a. USB-connected headset is preferred as it cancels the surrounding noise.
 - b. Position your webcam properly
 - c. Use a stable/wired connection
 - d. Join meetings in quiet areas
3. Zoom Meeting ID, which will be shared via NVRAMOS homepage or via email.

Zoom Best Practices

- a. Attendees must turn-on the face camera.
- b. Attendees will not be allowed to have 1:1 chat during the sessions.
- c. No screen share will be allowed during the session by the attendees.
- d. If any attendee wants to ask a question from the speaker/presenter, then he can raise a hand in zoom. Please check the guide at the bottom how to raise your hand in zoom meeting for asking a question.
- e. Due to session time constraint, all the raise hands might not be given an opportunity to ask questions from the speaker.

How to Raise Your Hand in Zoom Meeting

1. During a meeting, click on the icon labeled "Participants" at the bottom center of your zoom screen.
2. At the bottom window on the right side of the screen, click the button labeled "Raise Hand."

Click "Raise Hand" if you want to ask a question in the Q&A session.
